

Please join Brilliant Labs and the "I Move...I Learn" team for

WALK IN COLOURS!

June 11th, walk for health and wellness. All ages welcome!

How far can we travel when we add up each participant's kms? Can we travel across the Atlantic provinces from Edmundston N.B. all the way to St. John's Newfoundland (1,992.6 kms)? Or even, travel from St. John's Newfoundland to Vancouver, British Columbia (7087.6kms)? Who knows? We can dream big! Let's plant seeds of happiness on our way!

SUMMER CAMPS

Brilliant Labs Newfoundland and Labrador is excited to announce we will be having Summer Camps again this year! Drop-in coding camps will be held in both French and English on select weekday mornings, in addition to our making and coding camps that will be held both in-person and virtually.

Theme weeks, 3D printing, games created through coding, and podcasting are just some of the fun-filled activities planned for our camps, so stay tuned and make sure to keep an eye on our website in the upcoming weeks for more information!

COME JOIN US

Virtual School Maker Faire

WEDNESDAY
JUNE 09TH 2021

Join us LIVE from 9 am - 4 pm as we showcase maker projects from across Atlantic Canada on Twitch and YouTube. Take part in live discussions and activities!

Join in on the fun and share your own projects! We have extended our project deadline to June 4th. To learn more: [Click Here](#)
